MESSAGE TO PARENTS/ GUARDIANS

To

The Parents & Guardians,

Sirs/ Madams

Warm greetings from NIT Meghalaya!

I do take this opportunity to draw your kind attention to the security steps taken by the institute authority post the unforeseen & unfortunate incidents happened during 6th & 7th April, 2019 with our students. We are on equal footing with you in agony and pain.

As already notified vide NITMGH/SW/Notices/2018-19/17, dated 24/04/2019 by our Dean (SW), special security forces (SF-10) are already deployed since 20th April, 2019 in institute campus & across all hostels in cooperation with the law and order authority of the state. In every hostel total of six nos. SF-10 personnel are there round the clock & in institute campus 15 nos. of commandos are always in duty. From institute authority behalf, security system (private security) are made more stringent. The buses transporting students between institute & hostel are also much secured now. Entry to all hostels and campus has been made more restricted. Regular patrolling is being performed by the police department in the area of hostels & institute campus. Therefore the situation now is very normal & ambient. Institute authority is in close coordination with the local administration and civil society of Shillong. It is worth mentioning that the academic activities for all students except 1st year B.Tech and 2nd year B.Tech students have already started and there is no sign of any security issue anywhere.

In view of the above, it is quite obvious that institute is dedicated to maintain a strong partnership with parents in our effort to provide the very best education for students. Such key partnership between all stakeholders has been bringing glory to this institute right from its inception and today we have secured best ever ranking in NIRF system among all new NITs.

Therefore, I would cordially request to all parents/ guardians to come to the institute anytime as per their convenience for interaction with the institute authority and at the same time experience the security related environment as mentioned above.

Looking forward to meeting with you.

With regards,

(B.B. Biswal)
